

Nash Matching Fund Challenge

Cathy and Mac Nash have made a generous donation to create a matching fund which **will be used exclusively for new equipment for the rowing team**. This has been cited by Coach Bell as one of the key needs for the team, allowing the Detroit Boat Club Crew to stay amongst the elite competitors in national and international competition.

All donations to this fund will **be matched dollar for dollar up to \$4,000**. This has the potential to create \$8,000 or more for this critical investment in our team.

In this regard, we have two challenges for the friends and members of the DBCC community:

- Prior to the auction and up until the end of bidding that night, **the community at large is challenged to make donations of any amount to be matched by this fund** (i.e., a \$100 donation will become \$200 with the matching funds).
- Prior to the start of the auction, March 12th, interested donors are urged to **increase the amount of the challenge with their own matching gifts** (i.e., another \$2,000 matching challenge which would raise the matching level to \$6,000).

Thank you for your Support!

All contributions to the fund can be sent to:

Friends of Detroit Rowing
